

EDU-IN-A-BOX

FURNITURE SOLUTIONS FOR YOUR EDUCATION FACILITY

EDUCATION-IN-A-BOX

Welcome to KIAN's EDU-in-a-Box, offering comprehensive furniture solutions for educational institutions from pre-schools to universities. With over 40 years of experience, we provide end-to-end services, managing projects from ideation to installation. Our versatile product range includes customisable furniture for classrooms, offices, and shared spaces, ensuring functional and aesthetic harmony. Committed to sustainability, we feature eco-friendly options like our Louvre chairs made from ocean-bound plastic. At KIAN, we prioritise quality, innovation, and customer satisfaction, transforming educational spaces into inspiring environments. Explore our catalogue to discover how we can meet your furniture needs.

BRAND PROMISE

BETTER DESIGN

Expect higher creativity and better designed systems. Combining style and performance, our versatile and timeless Original Designs cater to various market segments. Our 'better design' mindset is applied to all fields of endeavour within The KIAN Group of Companies to give you ever better end-to-end service.

BETTER VALUE

Expect to have peace of mind and convenience. We provide smart and total furniture solutions, prompt responses, and reliable on-time delivery. Expect exclusivity and reasonable prices. Our Original Designs are created only for The KIAN Group of Companies by award-winning international designers, and cost savings from our LEAN factories are passed on to you.

BETTER WORLD

Expect to engage with a company that has a conscience, one that cares for the environment and for the total well-being of its people. We want to help make our world a cleaner, safer, more sustainable home. Partner with us if your business shares a similar vision for more sustainable products and happier employees.

Look for this logo throughout our catalogue for our **GREEN SOLUTIONS.**

OUR COMMITMENT

The KIAN Group of Companies pledges its unwavering commitment to attaining a 50% carbon reduction by 2030 and embracing carbon net zero by 2050, fostering an environment of trust and certainty in our sustainability initiatives.

We are utilising this framework to assess our organisation's business practices and performance on various sustainability and ethical issues. It also provides a way for us to measure business risks and opportunities in those areas.

50%  **2030**
NET ZERO  **2050**

SUSTAINABLE DEVELOPMENT GOALS

KIAN's goal is to contribute towards a more sustainable tomorrow by:

- Reducing pollution.
- Preserving the environment.
- Ensuring the well-being of people, all without sacrificing financial profitability.

The four pillars of sustainability - profit, energy, people and planet - are part and parcel of who we are and how we do business.

3 GOOD HEALTH AND WELL-BEING

- Safe working conditions & environments.
- Faster effective working relationship.
- Encourage volunteerism within and outside the workplace.

7 AFFORDABLE AND CLEAN ENERGY

- Educate consumers on how to conserve energy.
- Increase the proportion of energy consumed from renewable sources through the company's direct operations and encourage suppliers to do the same.

8 DECENT WORK AND ECONOMIC GROWTH

- Fair hiring. E.g. utilise scorecards personality to ensure the applicant is the right fit for their role.
- Create employment & leadership opportunities. E.g. hiring refugees.
- Provide skills training to our warriors all to aid the economic growth of the countries where we operate.

12 RESPONSIBLE CONSUMPTION AND PRODUCTION

- Make responsible choices of sustainable, ethically sourced materials.
- Engaging in continuous production life cycle & collaborations.
- Encourage reusable & repurpose items within The KIAN's ecosystem.
- Collaboration with educational institutions to share and contribute to sustainable solutions and design in furniture.

SUSTAINABLE MATERIALS

Sustainable design is the ultimate purpose of every activity aimed at reducing our impact on the environment. Designing with nature is about minimising the negative impact of the design process and generating high quality products that are able to withstand the test of time, in terms of style and performance, while putting the health and comfort of people first.

Ocean-Bound Plastic

- Repurposes plastic waste from the coastlines into designer furniture.
- Helps protect marine ecosystems by preventing plastic pollution.

Paper Terrazzo

- Composed of dyed pulp and waste paper, reducing landfill waste.
- Promotes a healthier indoor environment with its sustainable components.
- Perfect for adding a visually striking, sustainable touch to any space.

Palm Wood Biomass

- Lightweight yet highly durable, perfect for long-lasting furniture.
- Resistant to mold, pests, and extreme humidity, extending product lifespan.
- Made from palm industry by-products, maximising resource efficiency.

Recycled Coffee Grounds

- Innovative material made from up to 30% used coffee grounds.
- Weather-resistant, ideal for shaded outdoor furniture applications.
- Sustainable and stylish, transforming waste into functional designs.
- Adds a unique, natural texture to furniture.

Wood-Plastic Composite

- Made from recycled wood waste to reduce deforestation
- Maintains carbon benefits by reusing timber by-products.
- Durable, versatile, and can replace traditional wood in furniture.

Recycled Denim Fibres

- Made from 60% recycled denim, giving new life to textile waste.
- Durable and resilient, suitable for heavy-duty laminate surfaces.
- Ideal for eco-conscious interiors seeking both style and sustainability.

Rice Husk Biomass

- Contains 60% rice husk blended with post-consumer plastic and other materials.
- Moldable, flame-retardant, termite-resistant, and eco-friendly.
- Excellent alternative to traditional timber with added durability.

Reclaimed Timber

- Reconstructed Timber is sourced from old buildings and restored for enhanced quality.
- Supports sustainability by reducing deforestation and minimising landfill waste.
- Free from toxins, VOCs, and harmful chemicals for a safer, eco-friendly option.
- Offers durable, high-quality material, making an environmentally conscious choice for table tops.

COMPREHENSIVE CUSTOMISATION

We begin the customisation process with a thorough consultation, where our experienced team listens carefully to our client's needs, preferences and business objectives. We take the time to understand their vision, functional requirements, branding guidelines, and any other specific requests they may have.

Tailored Solutions

We have the flexibility to customise dimensions, shapes, seating capacity, storage options, material selection and other crucial elements. We work hand-in-hand with our clients to fine-tune every detail until the final design perfectly aligns with their requirements.

Budget Considerations

We are committed to working within our clients' budgetary constraints while ensuring the highest quality standards. We believe that customisation should be accessible and affordable for businesses of all sizes.

EDUCATIONAL SPACES

A versatile learning environment catering to pre-school, primary, high school, and university students, designed to support each stage of education. With spaces that encourage curiosity, critical thinking, and collaboration, these classrooms are equipped with age-appropriate tools and resources, from playful hands-on activities to advanced technology. Each classroom adapts to the needs of its students, fostering foundational skills in early years and progressing to specialised knowledge and independent study at higher levels.
